# About Us

*"We nurture every child into a confident citizen."*

*— Mr. Sanjay Narayan Sonar, Principal*

Amcha Ghar English High School & Junior College, a government-recognized institution, was established in 2002 to provide quality English-medium education to underprivileged children from Uttan and nearby villages. The school expanded in 2018 to include a Junior College of Arts, Commerce, and Science. With over 600 students currently enrolled (2020–21) and 42 teaching and non-teaching staff members, the school offers education from Pre-Primary to Std. XII under the State Board, maintaining an 'A' grade standard.

Over 2000 students have benefitted from affordable education at Amcha Ghar, reinforcing the belief that low-cost education holds more value than completely free services. The school promotes holistic development, aiming to bridge the gap between rural and urban students. Facilities include clean filtered drinking water, a bus service within a 5 km radius, and weekly nutritional support such as Poshtik Aahaar and khichdi. As an NGO, Amcha Ghar is committed to empowering the marginalized through education.

*"Every child deserves a chance to learn, grow, and shine — no matter their background."*

*— Agatha Sushila Dias, President*
